

Welcome to the Winter Calendar 🧡🧡

We're introducing something brand new this winter - our **Winter Wellness Workshop**. Held once a month, these sessions are designed to promote social connection while building your knowledge on important health topics. Each workshop will focus on a key area, including falls and injury prevention, healthy bones and osteoporosis, and diabetes awareness, and will be delivered in a short presentation format. Morning tea will be provided, making it a great opportunity to come together and learn more about healthy ageing. For those who attend all three sessions, reward awaits.

And that's not all, we're introducing **Mystery Week!** What is Mystery Week? It's where you leave it all up to us. Without giving too much away, we'll be visiting a mystery temple, taking a mystery scenic drive, shopping at a mystery discount store, and enjoying a mystery cup of coffee! Aside from Coffee Club, which remains at \$5, the other three mystery outings are priced at just a \$15 bus fare - half price and a bargain! Our popular "travel on five or more outings in one month" promotion is here to stay, so be sure to book your trips for June and August 2026.

We are bringing Coffee Club to every Friday of the winter calendar - because it's cold, and we want to make sure you stay warm.

With over 70 outings to keep you busy this season, we can't wait to have you buckled in. We hope you thoroughly enjoy all that winter has to offer!

Please remember to see your doctor for your yearly flu shot, as flu season is upon us. Please do not travel if you are unwell. Your neighbours and Connect staff rely on everyone staying healthy.
